## Vicky's Thoughts

Hi Everyone,

Geez, Christmas over, kids back at school and already in February 2012!

I have had a nice restful break, enjoying quality time with my family and connecting with nature. I have been able to rest, meditate, get back to my art, laugh and centre myself. This has enabled me to clear my head and gain clarity of my life: who I am; where I am; where I am going; and what my priorities are.

I have had many joyful moments with clients with many lessons and it has been a great experience overall in the 3 years I have been here in Balwyn. However, it is time for me to move on and get back on my own train of truth.

This has bought about my decision to sell Energy Creations, or literally close shop by Easter. This is so I can get back in true alignment with my life purpose, which is healing, seeing clients and running workshops, focus on my own health and find the work life balance we all crave and talk about.

I would like to take this opportunity to THANK YOU ALL, sincerely from my heart, for your friendship, support and our journey together so far.

I will continue to see clients for Reiki and Kinesiology, initially from my home. To make an appointment, email me at [go@energycreations.com.au](mailto:go@energycreations.com.au) or call 0413 993 010. If you would like to remain on the mailing list and stay in touch, please reply YES to this email by 27<sup>th</sup> March. Otherwise, thank you for supporting Energy Creations to date and I wish you all the very best and we will remove you from our mailing list.

So even though I don't know what the future holds, and it's a blank canvas quite now, I am very excited at the prospect of painting my blank canvas with a set of new eyes, with clarity, vitality, freshness and awe, like a young child with big innocent eyes. I look forward to the future of unlimited possibilities as we transition to the new golden energy.

Wishing you all the best for 2012 and beyond.

With love and light,

Vicky
